BAKER ELECTRICAL

Baker Electrical Contractors Ltd was launched in 2007. Starting with small domestic works. Over its 13 years of trading the company has been awarded contracts with some of the largest and most prestigious developers in the UK. Providing innovative support via design and installation, ensuring value for money throughout and offering expertise utilising the company's team of people, both in the office and our highly knowledgeable field engineers.

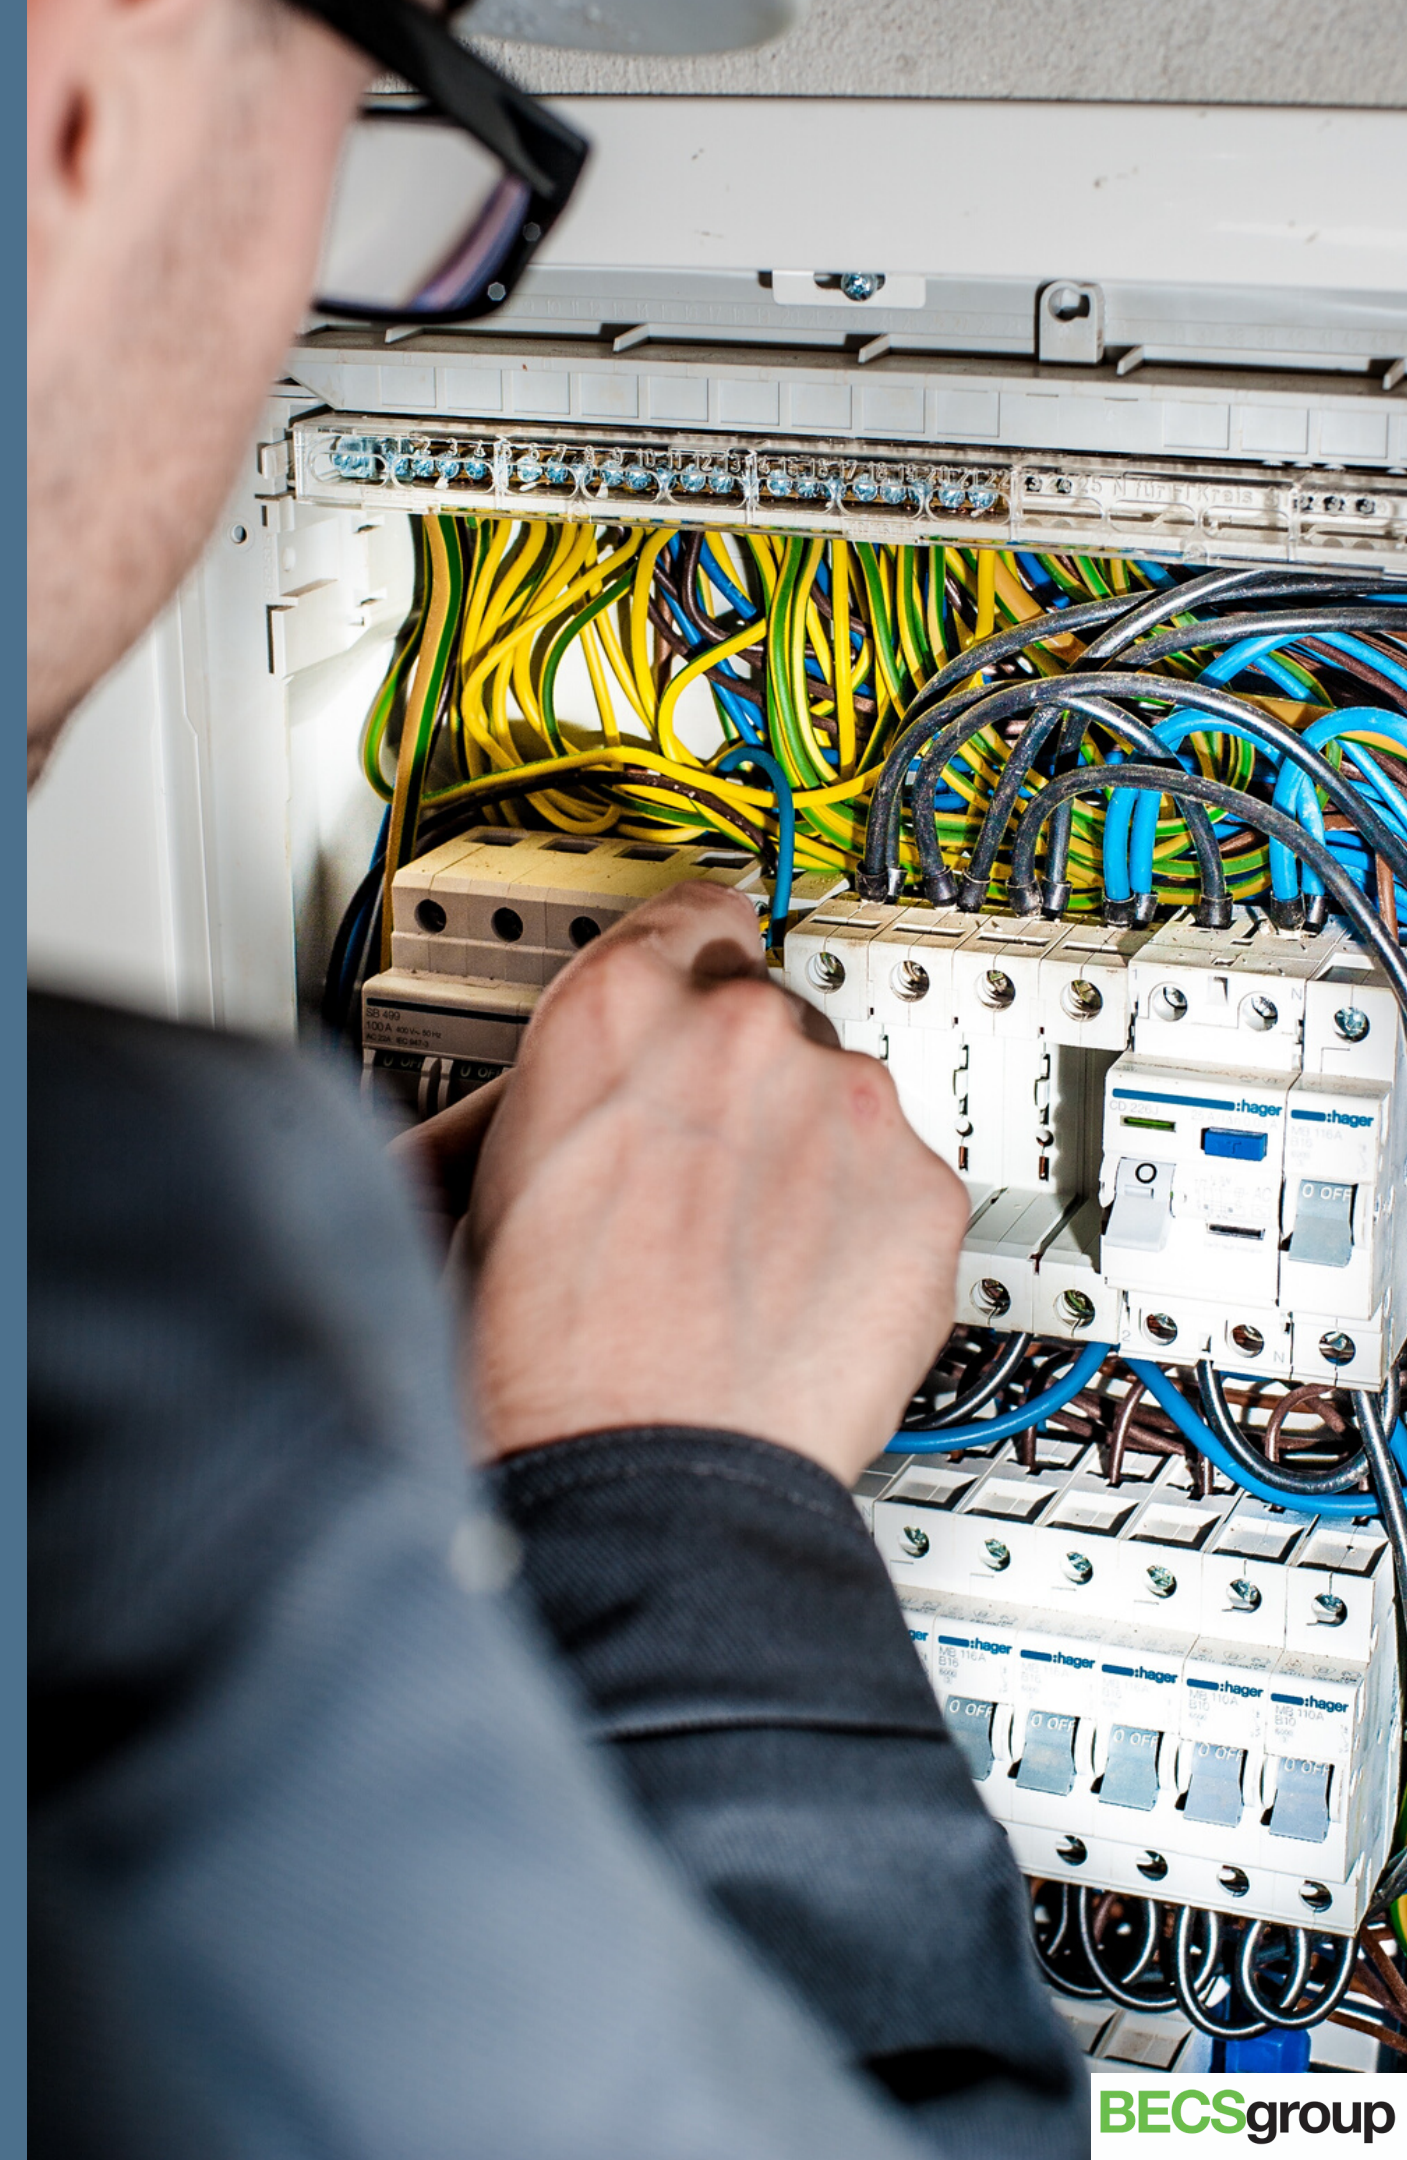

BECS^{Shire}

BECS Hire Ltd was launched early 2018 as the sister company to Baker Electrical Contractors Ltd. Due to the large number of developments being undertaken with permanent electrical installations and being constantly asked to carry out site temporary electrical set ups and welfare. The launch of BECS Hire Ltd has resulted in the business securing work from existing clients and also being awarded work for new businesses in commercial business sectors.
